

JULY 2023

Canada Day

With Thousand's of people making their way through the entry gate and down into the park it was a busy day for our tiny metropolis.

Activities were planned throughout the day, kicking off at the beach where some new sand was added and the kids loved every minute of building their castles. Giant Jenga, Connect 4, Dice, Ladder Ball, and Cornhole were just some of the available games. And an assortment of bouncy castles for the kids.

The Estevan Bible Camp brought out their Climbing Wall again this year to give the kids, and some of those young at heart a chance to see the beach from the top of the wall.

The Golf Cart Parade started at 2 pm down by the Maintenance Shop and many carts followed in behind our Mainprize Cart throwing out a variety of candy to all the kids in attendance throughout the park.

Shortly following we had our boat entries circle in the harbour led by Ralph Smart. All the while the Midale Plus One Club Inc. had their Farmer's Market in the Pederson Place running from 10 am to 3 pm.

Down at the beach, the park staff started setting up for the free Hot Dog Roast and it was such a success we ran out of supplies before 6 pm!

Kicking off at 7 pm we had Lone Ramblers rocking the night away in the Pederson Place, while many danced and enjoyed the Beer Gardens. Around 10 pm we had DJ Randy Bakaluk entertaining those in attendance into the early morning hours. Amid all the music we had Paradise Fireworks put on quite the Fireworks display that could be seen for miles around.

All in all a very successful day.

The fun didn't stop there though, we had our Pancake Breakfast in Pederson Place on July 2nd starting at 8 am. It was sponsored again by Minards Leisure World and the Meat was provided by Big Bob's Meats in Midale. That breakfast was manned by a great group of volunteers and the help was greatly appreciated.

At 2 pm that day, we had our first Movie of the season as well, after a few hiccups, it was great with The Dam Store providing some fresh popcorn. And a staff run canteen.

THE DAM STORE

Going into July the Dam Store has been introducing quite a few awesome treats to beat the heat. And they also have a new pizza oven to give another option at the park. And who can resist the Fudge Stripe Smore idea they came up with. If you are looking for some great ice cream, they are the place to stop in and try it.

FISHING AND MORE

Ralph Smart has been keeping the Rafferty Reservoir full of boats and fishermen. This month, the park has seen its fair share of boats launched into the water. With the Free Fishing weekend on July 8th and 9th, and of course the great fishing in general out at Mainprize. It's no wonder we have plenty of opportunity to catch your limit of Perch, Walleye, and Northern Pike.

MAINPRIZE PARK ACTIVITIES

»»» MOVIE IN THE PARK

Mainprize Regional Park has received a Copyright to view movies in the Park and we have been taking advantage of that this summer. Check out our Events Page over on Facebook or our Calendar posted around the park for all of the upcoming movies. We have already had a showing of the Super Mario Movie, The Bad Guys, and Puss in Boots to name a few. We will continue to have more movies in the park and we will have a canteen at each movie to help with fundraising efforts towards the park.

SUMMER ACTIVITIES

»»» FUN IN THE SUN

The summer activities kicked off with some local schools coming out to fill our trout pond with newly spawned fish. And then we headed into Canada Day and to follow there was a Paint Night, Sea Shell Hunt down on the beach, a Pirate Day with buried treasure, and we have the Estevan and Weyburn Car Club meeting at the Baseball Diamond in the beach area. Keep an eye out for all future activities coming up and be sure to check with the Entry Gate as they always have games you can rent or our Photo Contest that you can get registered for. PARK TIPS FOR A BETTER SEASON

Be sure to slow down in our park, as we have quite a few kiddos enjoying life and not worried about the vehicle coming toward them.

Conserve Water, and be sure to not use potable water to fill up swimming pools or run slip and slides.

While Camping if you want to run a microwave or fan, consider shutting your Air Conditioner off for a few minutes while it runs.
