

MAINPRIZE REGIONAL PARK NEWSLETTER

WELCOME BACK

We look forward to the 2023 Season; welcome back to our seasonal residents and weekend campers!

We also wish our year-round residents the best summer 2023 can offer!

We are committed to improving our communication with all of you, and as part of that commitment, we plan to use this newsletter to share information about what is happening at Mainprize.

Our **AGM is scheduled for June 19th at 6:30, Pederson Place, and a public meeting**, when we will discuss our strategic plan based on all the information you gave us when you did the surveys last year.

Consider this your invitation! We are looking forward to seeing you there!

It is Golf Season!!

Opening Day for Mainprize Regional Park Golf Course is Friday, May 12th, 2023!

Book your tee times online at **mainprizepark.com** or call the pro shop **306-458-2362**

Did you know?

Mainprize Regional Park is a unique community because, unlike a municipality, we do not have an elected Council. As a regional park, the surrounding communities appoint representatives to the Mainprize Park Authority to represent their community.

A glimpse at our Staff 2023

some more staff
profiles!

A Word About the Water Supply.

Our water treatment plant was built to suit the needs of a small resort community. The growth of the community did not take into consideration those additional water needs.

That means we do not have the capacity for the extra load when people use our potable water supply to fill their pools, water their lawns, and other unforeseen uses, particularly during the busy weekends.

It would be nice to be able to upgrade the system; however, to do so costs far more money than our tax base can possibly cover, and cannot be done in time for this season.

We would ask then, that you conserve water usage whenever possible so that everyone can have access to potable water throughout the season!!

A Message About Our Water..

Suggestions to conserve water.

- Do not use water to defrost food.
- Do not leave water running to rinse dishes.
- Consider harvesting rain water, it is great for your plants and makes your hair very soft.
- Don't fill swimming pools with potable water.

Upcoming Events

Fishing season opens: Friday, May 5

Important

- Official park opening has taken place! We are so excited for the 2023 season!
- Ensure that you renew your ATV and golf cart permits for 2023.
- Ensure that you abide by pet bylaws in all areas of the park by keeping your furry friends on leashes or contained at all times.
- During the upcoming May long weekend, there will be proactive heightened security at the park gate. We ask that all guests and park users treat our park with respect this long weekend.
- Remember to purchase your boat launch permits for 2023 and post them on your rearview mirror when in use.
- Avoid leaving boats or trailers in areas of the park where prohibited.
- Safety is our number one concern, so please abide by posted speed limits and watch for pedestrians at all times.
